

Notice, Question, Next test

Cut or use one card per showcase round. Critique the work and its evidence, not the person. Do not write a reviewer name, private detail, score, or personality judgment.

10-minute round: 4 minutes defense, 2 minutes evidence questions, 2 minutes feedback, 2 minutes transfer. The presenter decides whether to Accept, Test, Defer, or Reject feedback after checking evidence and scope.

Round 1 of 4
